**COMPETITION!**

### Here's how it works:

Put together a crew and  
get your idea together.

**Show up Sept 26 at 6pm**  
to pick up a prop that must  
be included in your movie  
and for the official kick  
off. At 7pm the race  
begins-you and your crew  
have 48 hours to shoot and  
edit your short. It isn't  
impossible, just crazy!

You run around like mad  
shooting and editing for  
the next 48 hours and  
**show up at 6pm Sept 28 at  
Creative Alliance (3134  
Eastern Ave) with your  
video in hand.** All videos  
will be screened and  
winners will be chosen by  
audience votes. Prizes will  
be awarded. Last year the  
competition was stiff!

**IMPORTANT NOTE:** The max
